

Brüssel, 11. September 2020:

The European Climate Law with a climate target of 60% for 2030 was adopted today by a clear majority of **46/18/17** in the Environment Committee. Please have a look below about the voting results in details. All information on the climate law can be found [here](#).

The press conference of the German Ministry of Economics took place almost the same time in Berlin. Economics Minister Peter Altmaier presented his climate strategy, which indeed contained good aspects. But his party colleagues in Brussels are blocking and slowing down climate protection. The statement by Michael Bloss, Greens/EF on that:

Was Peter Altmaier in Berlin vorstellt, scheint bei seine Parteikollegen in Brüssel nicht angekommen zu sein. Dass die CDU keine gemeinsame Linie hat, wird am Verhalten im Europaparlament klar. Hier mobilisieren sie gegen eine fortschrittliche Klimapolitik und stimmen zusammen mit Rechtsextremen und Klimaleugnern gegen die Klimaziele, die selbst von der konservativen Kommissionspräsidentin favorisiert werden.
